

COVID - 19 SCREENER

Please be sure to screen your child for any COVID-19 symptoms before sending them to school each day and confirm none of the following conditions are present:

- *Temperature above 100.0 degrees when taken by mouth;*
- *Sore throat;*
- *New uncontrollable cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);*
- *Diarrhea, vomiting, or abdominal pain; or*
- *New onset of severe headache, especially with a fever.*
