

Mrs. Flaughter

7th Grade ELAR and Creative Writing

All about me:

GOD and family are of utmost importance to me. I have a wonderful husband of 17 years and three beautiful daughters. My daughters are very active in school activities, and I take great joy in being their biggest fan.

I am a 2nd year educator. I am a graduate of Tarleton State University with a Bachelors degree in Interdisciplinary Studies. I am a lifetime resident of Springtown, and I have been blessed with much experience through coaching youth sports, volunteering, and substitute teaching within Springtown ISD. I also completed my student teaching at Goshen Creek Elementary. I look forward to the great honor of teaching each of your students this year. Go POJO!!

Upstander:

This year we will be learning about more than just how to write. We will be learning to build positive character traits. Keep an eye out for upcoming opportunities to make a positive difference in your community!

Teaching philosophy:

I believe that every student is unique, and they each have a special gift and insight to share with the world. As a teacher, it is my responsibility to insure that every child is given the tools and opportunity to learn, expand, and share their gifts. I believe that every child deserves to be loved, cared for, and respected in my classroom, so they might become successful students and gain a love for learning.
