Board of Trustees

Policies BA, BB series, BD series, and BE series

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected by place and serve three-year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

- Rick Beall, President
- Amy Walker, Vice President
- Chris Gilley, Secretary
- Damon Liles
- Elizabeth "Tootie" Hall
- Gary Veazey
- Mark Bryant

The board usually meets every fourth Monday at 7:00 p.m. at 301 East 5th Street. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district website and the District Administration Office at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

Employment

Equal Employment Opportunity

Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, Springtown ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Shane Strickland, Deputy Superintendent, 301 East 5th Street, sstrickland@springtownisd.net, 817-220-1700. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Stacy Johnson, Director of Special Education, 314 East 5th Terrace, sjohnson@springtownisd.net, 817-523-0643.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the district's website, the Region XI website, and at campuses. Employees applying for positions within the district are required to fill out an online application for the position in which they are interested.

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Noncontract Employment

Policy DC series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Human Resources in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify Human Resources when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Human Resources if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the Personnel Office if you have any questions regarding reverification of employment authorization.

Searches and Alcohol and Drug Testing

Policy CQ, DHE

Noninvestigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if

the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Shane Strickland, Deputy Superintendent at 817-220-1700.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to their immediate supervisor by September 1 annually.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request by May 1. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the personnel office and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. **Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.** See Overtime Compensation on page 20 for additional information.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Shane Strickland, Deputy Superintendent at 817-220-1700.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policy DN series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned

supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, Springtown ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

All certified educators seeking to renew a certificate must:

- successfully complete a criminal history review;
- not be in default on a student loan or in arrears of child support;
- complete the appropriate clock hours of continuing professional education; and
- pay the renewal fee.

The continuing professional education (CPE) requirements:

- classroom teachers must complete 150 clock hours every five years;
- counselors must complete 200 clock hours every five years;
- librarians/learning resource specialists must complete 200 clock hours every five years;
- educational diagnosticians must complete 200 clock hours every five years;

- master teachers must complete 200 clock hours every five years; and
- superintendents, principals, and assistant principals must complete 200 clock hours every five years.

An educator must complete a total of 150 or 200 clock hours of continuing professional education every five years, regardless of the number of certificates being renewed. For example, a classroom teacher who also holds a principal certificate would need a total of 200 clock hours to renew both the teacher and principal certificates.

Note: Educational aides are not required at this time to complete any CPE hours for certificate renewal.

CONTINUING PROFESSIONAL EDUCATION ACTIVITIES: To allow maximum flexibility for educators to identify appropriate CPE activities to meet their individual needs, CPE clock hours can be accrued through the following:

- workshops, conferences, and in-service or staff development given by an approved registered provider;
- undergraduate and graduate coursework through an accredited institution of higher education, with one semester credit being equivalent to 15 CPE clock hours;
- development of curriculum or CPE training materials;
- presenting CPE activities, not to exceed 10% of the required clock hours;
- serving as a mentor, not to exceed 30% of the required clock hours; and
- serving as an assessor for the principal assessment, not to exceed 10% of the required clock hours.

- Written documentation and verification of the completion of all activities applied toward CPE requirements for Standard Certificate renewal must be maintained by each educator. Worksheets developed to assist educators in tracking their CPE clock hours can be found on the TEA website through the “Certificate Renewal Requirements” link. *It is the responsibility of the educator to determine which CPE activities meet the requirements for standard certificate renewal. TEA staff will not make these determinations.*

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district’s pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive

compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page 20.)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact Tina McDonald at 817-220-1700 for more information about the district's pay schedules or their own pay.

Paychecks

All professional, salaried and hourly employees are paid monthly. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

The schedule of pay dates for the 2021-2022 school year follows:

September 24, 2021
October 25, 2021
November 19, 2021
December 17, 2021
January 25, 2022
February 25, 2022

March 25, 2022
April 25, 2022
May 25, 2022
June 24, 2022
July 25, 2022
August 25, 2022

Automatic Payroll Deposit

Employees can have their paychecks electronically deposited into a designated account. A notification period of one month is necessary to activate this service. Contact Tina McDonald at 817-220-1700 for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations and Springtown Educational Foundation(SEF). Salary deductions are automatically made for unauthorized or unpaid leave.

Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. **Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.**

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 a.m. and ends at 11:59 p.m. on Friday.

Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee is required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor and Chief Financial Officer must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. **Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.**

Health, Dental, and Life Insurance

Policy CRD

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in a separate booklet. Employees should contact the personnel office for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs for disability, dental, vision, life, or catastrophic illness. Premiums for these programs can be paid by payroll deduction. Employees should contact the personnel office for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from Texas Public Worker's Compensation Program, effective 09/01/2003.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to your immediate supervisor, the campus nurse and the personnel office. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits*, page 31 for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the personnel office.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the personnel office as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov). See page 21 for information on restrictions of employment of retirees in Texas public schools.

Other Benefit Programs

Free athletic passes, employee wellness program, in-district child care, tax-sheltered annuities, tuition-free attendance for children of nonresident employees, are all benefits available to employees. Contact the personnel office for any questions regarding these programs.

Leaves and Absences

Policies DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the personnel office for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in half or whole day increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local Leave
- State Sick Leave prior to 1995-96
- State Personal/Local Personal (may be used in any order)

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definitions of these are found in Policy DECA (LEGAL).

Medical Certification. Any employee, who is absent more than 5 days because of a personal or family illness, must submit a medical certification from a qualified health care provider

confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee’s fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee’s unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee’s usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee’s discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor in advance of the anticipated absence. The effect of the employee’s absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor. *The use of personal leave shall not be allowed on the day before a school holiday, the day after a school holiday, days scheduled for end-of-semester or end-of-year examinations, days scheduled for*

applicable state-mandated assessments, or professional or staff development days without approval from the employee's supervisor.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

All employees shall earn three paid days of local leave per school year at the same rate as state personal leave. Local leave is available for use at the beginning of the school year. Also, local leave shall accumulate to a maximum of ten workdays and shall be taken with no loss of pay whether or not a substitute is employed.

Local leave may be used for discretionary or nondiscretionary reasons.

When an employee has exhausted any entitlement to family and medical leave and continues on a leave of absence for a workers' compensation-related injury or illness, local leave shall be at full pay and coordinated with workers' compensation benefits so that the employee receives no more or no less than the pre-injury wage. [See WORKERS' COMPENSATION, page 20]

Vacation

Policy DED

Professional/Paraprofessional/Technician Employees. Twelve-month employees shall not receive vacation days. Twelve-month contract employees are those employees whose contracts are at least one year in length and whose contract year is from July 1 to June 30. A year shall be defined as 226 days. The employee will submit to his/her supervisor a work year calendar that must be approved by the supervisor. If the employee changes his/her work calendar during the

year, the supervisor must give prior approval of any changes and another work calendar must be submitted to the supervisor no later than five (5) days of the change.

Twelve-month contract employees, as administrative-level employees, do not receive overtime or compensatory time, but may exchange a work day for documented service beyond the regular workday/weekend(s) that was required by the district.

Auxiliary Employees. The following compensation and benefit plan pertains only to auxiliary employees who are employed in positions generally filled for 261 days per year.

Full-time auxiliary employees shall receive 10 paid holidays per year. The schedule of holidays will adhere to the annual district calendar. A calendar of scheduled dates for the year will be provided by department supervisors.

For the sole purpose of determining vacation accrual rates, a “year of service” is defined as beginning September 1 and ending August 30. All full-time auxiliary employees shall accrue vacation days at a rate of one-half day per month of regular employment to a total of no more than five days during the first year of employment. Beginning with the second year of service, vacation days shall accrue at the rate of one day per month to a total of no more than ten days per year. All vacation days must be used within the 12 calendar months of the year between September 1 and August 30. When an employee who has used more vacation leave than he or she had accumulated ceases to be employed by the district, the cost of the unearned leave days shall be deducted from the employee’s final paycheck.

Any vacation days not used between September 1 and August 30 shall be forfeited unless approved by the Superintendent for extenuating circumstances. All such requests must be made and confirmed by written documentation for approval. No compensation shall be paid for accrued unused vacation for a full-time auxiliary employee who leaves district employment on his or her own accord.

The specific days on which a full-time auxiliary employee exercises his or her vacation leave must be approved in advance by the supervisor or director in charge.

Sick Leave Bank (or Pool)

The District sick leave pool shall be established from voluntary donations by District staff to assist a fellow employee who is suffering from a long-term personal illness or disability, including pregnancy-related illness or disability. Pooling may be requested when an employee has exhausted his or her state and local personal leave. A sick leave pool request can be made by the employee, or immediate family member. Medical certification must be provided for any request for a sick leave pool.

Donations shall be made for a specific individual and shall be designated for a specific sick leave pool. Staff members may contribute to sick leave pools no more than three state personal leave days per school year; a maximum of 50 days may be contributed for any individual pool.

If, based on medical certification, an employee requires more days of leave than have been contributed to a pool by staff, the District will contribute up to ten days. In no instance will more than 50 days contributed by staff and the District be available per employee per school year.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

Leave Entitlements

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child’s birth or placement);
- To care for the employee’s spouse, child, or parent who has a qualifying serious health condition;
- For the employee’s own qualifying serious health condition that makes the employee unable to perform the employee’s job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee’s spouse, child, or parent.

An eligible employee who is a covered servicemember’s spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer’s normal paid leave policies.

Benefits and Protections

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

Eligibility Requirements

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave*; and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special hours of service eligibility requirements apply to airline flight crew employees.

Requesting Leave

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection.

Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

Employer Responsibilities

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

Enforcement

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured forward from the date an individual employee's first FML begins.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required

when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according the procedures outlined in policy (see DECA (LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact Tina McDonald at 817-220-1700 for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the personnel office should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use available, partial-day increments of sick leave or any other paid leave benefits to make up the difference between wage benefits and pre-injury or -illness wages. While an employee is receiving workers' compensation wage benefits, the district will charge available leave proportionately so that the employee receives an amount equal to the employee's regular salary.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to the personnel office.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Jury Duty

Policies DEC, DG

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any

regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Tuancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty ordered by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact the personnel office. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the personnel office for details on eligibility, requirements, and limitations.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include campus teacher of the year awards, district teacher of the year awards, service pens, campus luncheons, etc.

District Communications

Throughout the school year, the Superintendent's office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements. They include the following:

- [SISD Website](#)
- [Springtown ISD Facebook Page](#)
- [Springtown ISD Twitter Page](#)
- Back-to-School Guide
- E-Meeting

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process.

Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints can be found in policy online at <http://pol.tasb.org/Home/Index/983>.

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation can be found on the district's policy online website at [https://pol.tasb.org/Policy/Download/983?filename=DIA\(LOCAL\).pdf](https://pol.tasb.org/Policy/Download/983?filename=DIA(LOCAL).pdf).

Harassment of Students

Policies DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has reasonable cause to believe that child abuse or neglect occurred must also report his or her

knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, page 41 and *Bullying*, page 58 for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students can be accessed by the links below:

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at

<https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at [Guidelines To Address Bullying, Sexual Harassment, Dating Violence and Sexual Violence](#). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

Policy DG

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

Policy CQ

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources.
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's [acceptable use agreement](#) and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact Robert McHenry, Chief Technology Officer at 817-220-2565.

Personal Use of Electronic Communications

Policy CQ, DH

Electronic communications include all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee’s personal social network page(s) using the district’s computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district’s logo or other copyrighted material of the district without express written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee’s immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
 - Confidentiality of student records. [See Policy FL]
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DH (EXHIBIT)]
 - Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]
 - Copyright law [See Policy CY]
 - Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See DH (EXHIBIT)]

See *Electronic Communications between Employees, Students, and Parents*, below, for regulations on employee communication with students through electronic media.

Electronic Communications between Employees, Students, and Parents

Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who

communicates with a student using text messaging shall comply with **ONE** of the following protocol:

- The employee shall include at least one of the student’s parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
 - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message; or
 - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee’s district email address.
- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
 - The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page (“professional page”) for the purpose of communicating with students. The employee must enable administration and parents to access the employee’s professional page.
 - The employee shall not communicate directly with any student between the hours of 10:00 p.m. and 7:00 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
 - The employee does not have a right to privacy with respect to communications with students and parents.
 - The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics including:
 - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
 - Copyright law [Policy CY]
 - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]
 - Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
 - Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.

- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
- All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personal email accounts or text messages are not allowed as they cannot be preserved in accordance with the district's record retention policy.
- An employee shall notify his or supervisor in writing within one business day if a student engages in an improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.

Public Information on Private Devices

Policy DH

- Verbal or written directive
- Remote access to district-owned devices and services

Criminal History Background Checks

Policy DBAA

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

This includes all buildings, playground areas, parking facilities, and facilities used for athletics and other activities. Notices stating that smoking is prohibited by law and punishable by a fine are displayed in prominent places in all school buildings.

- Any other obligation or relationship
- Non-school employment

Employees should contact their supervisor for additional information.

Gifts and Favors

This does not include staff development, teacher training, or instructional materials such as maps or worksheets that convey information to students or contribute to the learning process.

Copyrighted Materials

Policy CY

Employees are expected to comply with the provisions of federal copyright law relating to the unauthorized use, reproduction, distribution, performance, or display of copyrighted materials (i.e., printed material, videos, computer data and programs, etc.). The district will not directly or indirectly discourage employees from participating in political affairs or require any employee to join any group, club, committee, organization, or association. Employees may join or refuse to join any professional association or organization.

An individual's employment will not be affected by membership or a decision not to be a member of any employee organization that exists for the purpose of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work. Use of district resources including work time for political activities is prohibited.

The district encourages personal participation in the political process, including voting. Employees who need to be absent from work to vote during the early voting period or on election day must communicate with their immediate supervisor prior to the absence.

Charitable Contributions

Policy DG

The Board or any employee may not directly or indirectly require or coerce an employee to make a contribution to a charitable organization or in response to a fundraiser. Employees cannot be required to attend a meeting called for the purpose of soliciting charitable contributions. In addition, the Board or any employee may not directly or indirectly require or coerce an employee to refrain from making a contribution to a charitable organization or in

response to a fundraiser or attending a meeting called for the purpose of soliciting charitable contributions.

Safety

Policy CK series

The district has developed and promotes a comprehensive program to ensure the safety of its employees, students, and visitors. The safety program includes guidelines and procedures for responding to emergencies and activities to help reduce the frequency of accidents and injuries. See Emergencies on page 51 for additional information.

To prevent or minimize injuries to employees, coworkers, and students and to protect and conserve district equipment, employees must comply with the following requirements:

- Observe all safety rules.
- Keep work areas clean and orderly at all times.
- Immediately report all accidents to their supervisor.
- Operate only equipment or machines for which they have training and authorization.

While driving on district business, employees are required to abide by all state and local traffic laws. Employees driving on district business are prohibited from texting and using other electronic devices that require both visual and manual attention while the vehicle is in motion. Employees will exercise care and sound judgment on whether to use hands-free technology while the vehicle is in motion.

Employees with questions or concerns relating to safety programs and issues can contact the personnel office.

Possession of Firearms and Weapons

Policies DH, FNCG, GKA

Employees, visitors, and students, including those with a license to carry a handgun, are prohibited from bringing firearms, knives, clubs, or other prohibited weapons onto school premises (i.e., building or portion of a building) or any grounds or building where a school-sponsored activity takes place. A person, including an employee, who holds a license to carry a handgun may transport or store a handgun or other firearm or ammunition in a locked vehicle in a parking lot, garage, or other district provided parking area, provided the handgun or firearm or ammunition is properly stored, and not in plain view. To ensure the safety of all persons, employees who observe or suspect a violation of the district's weapons policy should report it to their supervisor or call the district administration office immediately.

Visitors in the Workplace

Policy GKC

All visitors are expected to enter any district facility through the main entrance and sign in or report to the building's main office. Authorized visitors will receive directions or be escorted to their destination. **Employees who observe an unauthorized individual on the district premises should immediately direct him or her to the building office or contact the administrator in charge.**

Asbestos Management Plan

Policy CKA

The district is committed to providing a safe environment for employees. An accredited management planner has developed an asbestos management plan for each school. A copy of the district's management plan is kept in the district administration office and is available for inspection during normal business hours.

Pest Control Treatment

Policies CLB, DI

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of the integrated pest management (IPM) coordinator. Any application of pesticide or herbicide must be done in a manner prescribed by law and the district's integrated pest management program.

Notices of planned pest control treatment will be posted in a district building 48 hours before the treatment begins. Notices are generally located in the kitchens and the teacher lounges. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written, or electric means. Pest control information sheets are available from campus principals or facility managers upon request.

Other Topics

Employee Use of District Mail Service

Employees may send documents to other district campuses and offices daily by completing an interoffice mail envelope and depositing it in their campus designated mail receptacle. The envelopes are picked up and delivered only in the morning.

Management of Activity Funds

Refer to the Financial Information Resource Manual (FIRM) on the SISD website for management of activity funds.

General Procedures

Emergency School Closing

The district may close schools because of severe weather, epidemics, or other emergency conditions. When such conditions exist, the Superintendent will make the official decision concerning the closing of the district's facilities. When it becomes necessary to open late, to release students early, or to cancel school, district officials will post a notice on the district's website, Facebook pages and notify the following radio and television stations:

KDFW Channel 4 KXAS Channel 5 WPAP 820 AM
WFAA Channel 8 KTVY-CBS Channel 11

Emergencies

Policies CKC, CKD

All employees should be familiar with the safety procedures for responding to emergencies, including a medical emergency. Employees should locate evacuation diagrams posted in their work areas and be familiar with shelter in place, lockout, and lockdown procedures. Emergency drills will be conducted to familiarize employees and students with safety and evacuation procedures. Each campus is equipped with an automatic external defibrillator. Fire extinguishers are located throughout all district buildings. Employees should know the location of these devices and procedures for their use.

Purchasing Procedures

Policy CH

All requests for purchases must be submitted to the campus principal, designee, or supervisor using the district requisition system. No purchases, charges, or commitments to buy goods or services for the district can be made without a PO number. The district will not reimburse employees or assume responsibility for purchases made without authorization. Employees are not permitted to purchase supplies or equipment for personal use through the district's business office. Contact the campus principal for additional information on purchasing procedures.

Name and Address Changes

It is important that employment records be kept up to date. Employees must notify the personnel office if there are any changes or corrections to their name, home address, contact telephone number, marital status, emergency contact, or beneficiary. The form to process a change in personal information can be obtained from Caitlin Mann in the personnel office.

Personnel Records

Policy DBA, GBA

Most district records, including personnel records, are public information and must be released upon request. In most cases, an employee's personal email address is confidential and may not be released without the employee's permission.

Employees may choose to have the following personal information withheld:

- Address
- Phone number, including personal cell phone number
- Emergency contact information
- Information that reveals whether they have family members

The choice to not allow public access to this information or change an existing choice may be made at any time by submitting a written request to the personnel office. New or terminated employees have 14 days after hire or termination to submit a request. Otherwise, personal information may be released to the public until a request to withhold the information is submitted or another exception for release of information under law applies. An employee is responsible for notifying the district if he or she is subject to any exception for disclosure of personal or confidential information.

Facility Use

Policies DGA, GKD

Employees who wish to use district facilities after school hours must follow established procedures. The facilities manager is responsible for scheduling the use of facilities after school hours. Contact Micheal Chavez, Director of Student Services at 817-220-1418 to request to use school facilities and to obtain information on the fees charged.

Termination of Employment

Resignations

Policy DFE, DHB

Contract Employees. Contract employees may resign their position without penalty at the end of any school year if written notice is received at least 45 days before the first day of instruction of the following school year. A written notice of resignation should be submitted to the campus principal. Contract employees may resign at any other time only with the approval of the superintendent or the board of trustees. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the superintendent of an educator's resignation within seven business days following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency* on page 54. The superintendent will notify SBEC when an employee resigns and there is evidence to indicate that the employee has engaged in such misconduct.

Noncontract Employees. Noncontract employees may resign their position at any time. A written notice of resignation should be submitted to their supervisor at least two weeks prior to the effective date. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so.

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or of knowing about an employee's resignation or termination following an alleged incident of misconduct described above.

Dismissal or Nonrenewal of Contract Employees

Policies DF Series, DHB

Employees on probationary, term, and continuing contracts can be dismissed during the school year according to the procedures outlined in district policies. Employees on probationary or term contracts can be nonrenewed at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or nonrenewal occurs will be provided when a written notice is given to an employee.

The principal is required to notify the superintendent of an educator's termination within seven business days following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency* on page 54. The superintendent will notify SBEC when an employee is terminated and there is evidence to indicate that the employee has engaged in such misconduct.

Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or when the employee's certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series policies that are provided to employees or are available online.

Dismissal of Noncontract Employees

Policies DCD, DP

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, sex, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance. (See *Complaints and Grievances*, page 33.)

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or knew about an employee's resignation or termination following an alleged incident of misconduct described above.

Discharge of Convicted Employees

Policy DF

The district shall discharge any employee who has been convicted of or placed on deferred adjudication community supervision for an offense requiring the registration as a sex offender or convicted of a felony under Title 5 Penal Code if the victim was a minor.

If the offense is more than 30 years before the date the person's employment began or the person satisfied all terms of the court order entered on conviction the requirement to discharge does not apply.

Exit Interviews and Procedures

Exit interviews will be scheduled for all employees leaving the district. Information on the continuation of benefits, release of information, and procedures for requesting references will be provided at this time. Separating employees are asked to provide the district with a forwarding address and phone number and complete a questionnaire that provides the district with feedback on his or her employment experience. All district keys, books, property, including intellectual property, and equipment must be returned upon separation from employment.

Reports to Texas Education Agency

Policies DF, DHB, DHC

Certified Employees. The resignation or termination of a certified employee must be reported to the Division of Investigations at TEA if there is evidence that the employee was involved in any of the following:

- Any form of sexual or physical abuse of a minor, or any other unlawful conduct with a student or a minor
- Soliciting or engaging in sexual contact or a romantic relationship with a student or minor
- The possession, transfer, sale, or distribution of a controlled substance
- The illegal transfer, appropriation, or expenditure of district or school property or funds
- An attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit for the purpose of promotion or additional compensation
- Committing a criminal offense or any part of a criminal offense on district property or at a school-sponsored event.

The reporting requirements above are in addition to the superintendent's ongoing duty to notify TEA when a certified employee or an applicant for certification has a reported criminal history or engaged in conduct violating the assessment security procedures established under TEC §39.0301. "Reported criminal history" means any formal criminal justice system charges and dispositions including arrests, detentions, indictments, criminal information, convictions, deferred adjudications, and probations in any state or federal jurisdiction that is obtained by a means other than the Fingerprint-based Applicant Clearinghouse of Texas (FACT).

Noncertified Employees. The voluntary or involuntary separation of a noncertified employee from the District must be reported to the Division of Investigations at TEA by the superintendent if there is evidence the employee abused or otherwise committed an unlawful act with a student or minor, was involved in a romantic relationship with a student or minor, or solicited or engaged in sexual contact with a student or minor.

Reports Concerning Court-Ordered Withholding

The district is required to report the termination of employees that are under court order or writ of withholding for child support or spousal maintenance. Notice of the following must be sent to the support recipient and the court or, in the case of child support, the Texas Attorney General Child Support Division:

- Termination of employment not later than the seventh day after the date of termination
- Employee's last known address
- Name and address of the employee's new employer, if known

Student Issues

Equal Educational Opportunities

Policies FB, FFH

In an effort to promote nondiscrimination and as required by law, Springtown ISD does not discriminate on the basis of race, color, religion, national origin, age, sex, or disability in providing education services, activities, and programs, including Career and Technical Education (CTE) programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Questions or concerns about discrimination against students based on sex, including sexual harassment should be directed to Shane Strickland, Assistant Superintendent at 817-220-1700, the district Title IX Coordinator. Questions or concerns about discrimination on the basis of a disability should be directed to Stacy Johnson, Director of Special Education, at 817-523-0643, the district ADA/Section 504 coordinator for students. All other questions or concerns relating to discrimination based on any other reasons should be directed to the Superintendent.

Student Records

Policy FL

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling

complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Administering Medication to Students

Policy FFAC

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen[®]), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Dietary Supplements

Policies DH, FFAC

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

Psychotropic Drugs

Policy FFAC

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student

Student Conduct and Discipline

Policies in the FN series and FO series

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

Student Attendance

Policy FEB

The district must submit attendance of its students to Texas Education Agency (TEA) reflecting attendance at a specific time each day.

Official attendance is taken every day during second period.

A student absent for any portion of the day, including at the official attendance-taking time, should follow the procedures below.

Parent's Note after an Absence. When returning to school after an absence, in order for the absence to be considered excused, the student must bring a note to the office within 3 school days of the absence. This note must be signed by the parent and include the student's legal name, date of absence, reason for absence, parent/guardian signature, and a telephone number where the parent/guardian can be reached during school hours. A note signed by the student, will not be accepted unless the student is emancipated by court order and/or independently enrolled themselves in school.

Doctor's Note after an Absence for Illness. Upon return to school, a student absent for more than 4 consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the student's extended absence from school.

Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition that caused the student's absence from school. [See policy FEC(LOCAL)]

Bullying

Policy FFI

Bullying is defined by §TEC 37.0832. All employees are required to report student complaints of bullying, including cyberbullying, to their immediate supervisor. The district's policy includes definitions and procedures for reporting and investigating bullying of students and is reprinted below:

The district prohibits bullying as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy.

Bullying occurs when a student or group of students engages in written or verbal expression or physical conduct that:

1. Will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage of the student's property; or
2. Is sufficiently severe, persistent, or pervasive that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

Bullying of a student may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, and ostracism.

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

Any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, counselor, principal, or other District employee. A report may be made orally or in writing.

Any District employee who receives notice that a student has or may have experienced bullying shall immediately notify the campus principal or designee. If a report is made orally, the campus principal or designee shall reduce the report to written form. The campus principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, and if so proceed under that policy instead.

The campus principal or designee shall conduct an appropriate investigation based on the allegations in the report. The campus principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate. Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the campus principal or designee shall take additional time if necessary to complete a thorough investigation. The campus principal or designee shall prepare a written report of the investigation, including a determination of whether bullying occurred, and send a copy to the Superintendent or designee.

If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the District's ***Student Code of Conduct***. [For information on student transfers due to bullying, see FDB.]

The District may take action based on the results of an investigation, even if the District concludes that the conduct did not rise to the level of bullying under this policy.

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. Retention of records shall be in accordance with CPC(LOCAL).

Information regarding this policy shall be distributed annually to District employees and included in the student handbook. Copies of the policy shall be readily available at each campus and the District's administrative offices. The district's policy includes definitions and procedures for reporting and investigating bullying of students. This policy may be found online at, www.tasb.org/policy/pol/private/184902/index_mail.cfm.

Hazing

Policy FNCC

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.

Local Considerations

Dress Code

Teachers shall dress in a professional manner when in charge of students whether in a classroom or on field trips or other activities outside of the regular classroom. Principals may have specific requirements for their campuses and departments. Exceptions to this teacher dress code will be made in the case of an emergency or where the principal has given prior written approval.

Employee Badges

District Employees shall wear their District-issued identification badges in a clearly visible manner while at any District campus or facility. The badges must not be altered and must remain free of any item or material that covers any part of the front surface of the badge.

Extra-Curricular Activities

Students may participate in extra-curricular activities on or off campus only if they have not received a grade less than 70 on the report card from the previous six weeks. Each campus will publish the special rules that apply to that campus. Students shall not have more than 10 extra-curricular absences in any one course or class during the school year.

All activities are to be cleared through the principal's office before they are scheduled. Each teacher should make a final list by October 1 of the dates desired for special activities during the year.

Conflicts will be worked out. No special program is to be scheduled during the last week of the semester. Any activity which is sponsored by the school must have the approval of the principal.

Preferably, activities should not be scheduled at night during the school week, but exceptions may be made by the principal. Arrangements for the use of gymnasiums or any other school facilities should be made before any definite plans are formulated. Unless written approval is given by the administration in advance, no programs, practices or activities shall be held on Wednesday nights or Sundays.

Fund Raisers

The following rules apply to class funds and activity funds:

- All fund-raising activities shall be approved in advance by the principal.
- All class, organization, and club funds shall be deposited through the building principal's office daily. No money will be kept in teachers' classrooms.
- A teacher shall be able to account for all monies received.
- Receipts shall be given to students for money received.
- Each class or organization is limited to one fund-raising activity during the year unless approved in writing by the principal.

Field Trips

All field trips and other activities requiring transportation should be completed by the end of the second week of May unless prior approval has been obtained from the Principal and from the Director of Student Services. Trips requiring school buses must be approved in advance. Requisitions for school buses shall be handled through the principal. Field trips must be scheduled so that all students have returned to the school campus by 2:20 PM. A teacher may take students on school-sponsored trips during the year. The following regulations concern school-sponsored trips:

1. Each student must go in school-approved transportation. (Exceptions to be determined by principal)
2. A student must be passing in all courses in order to make a school-sponsored trip.
3. Students on school-sponsored trips will not be counted absent, and will be permitted to make up work missed within a period equal to the number of days missed.
4. Teachers and parents who serve as sponsors shall require that pupils observe safety precautions while riding in school-approved transportation.
5. No children other than students in the group or class are allowed on school sponsored trips without written permission from the principal.
6. One teacher or administrator shall be appointed head sponsor.
7. Sponsors will not leave until all students are accounted for.
8. For students to travel other than on the bus, parents must make arrangements before the activity in person or by submitting a written note to the supervisor.
9. Students are to obey posted bus rules.
10. There will be no smoking, use of tobacco, use of drugs or use of alcoholic beverages by students or sponsors on school trips. This includes while stopped or eating or in actual attendance at contests.
11. NO drinking or eating is allowed in school vehicles unless approved by the Transportation Director.
12. All changes and stops should be cleared with the head sponsor.
13. Proper conduct in restaurants should be emphasized by all sponsors on each trip.
14. The emergency door of the bus is to be used for emergencies only; it is not to be used to enter or depart from the bus unless approved by the Transportation Director.
15. At the completion of each trip, students and sponsors are to check the bus to see that books, coats, etc., are claimed.
16. The sponsor is to see that students pick up all trash and deposit it in a trash container before leaving the bus. Sponsors will check the bus for vandalism.
17. Any student misbehavior should be reported to the campus administrator.
