

Springtown ISD School Health Advisory Council (SHAC)  
Annual Report for School Board 2018-2019

SHAC Members 2018-2019: Assistant Superintendent, Shane Strickland, Kim Nash, Laura Hughes (Chairman), Shelby Willis (Co-Chairman), Terrie Roberts, Vicky Trichel, Jennifer Siegel, Becky Smith, and Jaqueline Araujo (Student)

Goals 2018-2019: Vaping Awareness and Dangerous Phone Apps

The committee met four times. On Oct. 18, 2019, the members discussed the SHAC annual report from 2017-2018. Laura Hughes reported Flu Shot Clinics had been held on each campus. Mr. Strickland informed members of an opportunity to serve on the Community Health Improvement for Wise County. He also reported the district had purchased two ionization machines to help disinfect schools. On Jan. 24, 2019, goals for 2018-2019 were discussed. Laura Hughes recommended the committee approve two goals for 2018-2019: Vaping Awareness and Dangerous Phone Apps Awareness. Kim Nash gave a report on Nutrition Administrative review which the department passed. At the April 2, 2019 meeting, Laura Hughes presented a Vaping Awareness video created by Mrs. Stephanie Taylor's AVP 2 students. The video was shown at SMS, SHS, and shared on social media. There was a discussion on cell phone app safety and awareness. The committee requested links that address these subjects be posted on the district website. Laura Hughes reported that there was a case of mumps at SMS. The district followed the protocol of the health department. Shane Strickland informed the committee on the district's Stay Alert program which is a part of Edward's Risk Management. Our last meeting was on May 8, 2019. Laura Hughes showed the APPS PARENTS SHOULD KNOW ABOUT slide that will be put on the district website. Parents will be able to see the app icon and information about each app. Tips were given to parents on ways to ensure their student's safety and links were provided. She also informed the members that SIS is hosting a Parents in the Know meeting concerning internet safety. The speaker will be Jeff Swain, the assistant DA for Parker County. Members were shown an animated video about Juuling which was created by Miss Galle (SMS). Kim Nash reported that the USDA has reduced the whole grain requirement from 100% to 50%. The committee was also informed that PCHD held a shot clinic at SIS for shots that are required for 7th grade. The members agreed that the goals for 2018-2019 had all been met.
