

Planet HS Account Setup Instructions

1. Go to www.planeths.com, scroll down and click "Sign Up" to create the STUDENT account.
2. Select "student", then fill out the form. On step 3 making the student account, please use the email address provided to your STUDENT by the school and use their school password (their initials followed by their student ID or lunch number).
3. On step 4, begin typing "Springtown" and choose either middle school or high school depending on student's grade level.
4. Select sports of interest and click Sign Up to create the student account.
5. Follow the same steps to create a "parent" account.
6. Link the two accounts together using the "link account" button on the student account.
7. From both accounts you will need to complete all paperwork under the "athletic forms" tab.
8. You can take pictures and upload the medical history and physical forms from your phone.
9. Read, initial, and sign the UIL forms about Rules, Concussions, Sudden Cardiac Arrest, and Steroids.

Once forms are completed they will read "pending approval" and be sent to staff to be approved or denied.

If you have any questions, please contact our athletic trainers.
